

## Provincial Assembly of Khyber Pakhtunkhwa

Honourable Members,

This gives me immense pleasure to inform you that United Nations Development Programme (UNDP) has agreed to my proposal to arrange a knowledge-sharing workshop for the Members of this Assembly.

The purpose is to familiarize the Members with the tools, available through the rules of procedures, for effectively performing their oversight and legislative functions. This will also help the Members to integrate into the House and collectively optimize their performance.

As per the proposals to UNDP, all the participating Members will be divided into three groups/batches:

**Group One: 05-06 November 2018**

General Seats: PK-01 to PK-33  
Women Members: WR-01 to WR-07  
Minority Member: MR-01

**Group Two: 07-08 November 2018**

General Seats: PK-34 to PK-66  
Women Members: WR-08 to WR-14  
Minority Member: MR-02

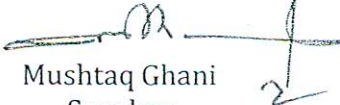

**Group three: 09-10 November 2018**

General Seats: PK-67 to PK-99  
Women Members: WR-15 to WR-22  
Minority Member: MR-03

I would request all the Members to attend these workshops as per the above-mentioned schedule. In case of further information and assistance please contact Mr. Atta Ullah Khan, Special Secretary/Focal person (0334-9227393) or Mr. Bilal Khattak of UNDP (0333-5374610).

It may be noted that the training will be held in Islamabad. These trainings are **only** for the Members of the Khyber Pakhtunkhwa Assembly. Our partner UNDP will bear expenses for accommodation and meals of only the participating Members. Arrangements will be done upon the confirmation to the above-mentioned officials.
